Voting is the fundamental right upon which all our civil liberties and our freedoms rest. We only have these freedoms when all eligible voters can decide who holds power through fair elections. Register to vote or check your status at **IndianaVoters.in.gov**.

ID Requirements: To vote in Indiana, you must present one of the following at the polls: a state-issued driver's license, state-issued ID card, military ID, or passport. Student IDs are not valid for verifying your identity.

Freedom to Vote

- Voters have the right to cast a ballot freely and without intimidation.
- Voter intimidation is illegal, whether from private individuals or federal, state, or local government. Many federal and state laws protect voters from intimidation.
- In the unlikely chance you encounter concerning behavior when voting, stay calm, take notes, and report it as soon as it is safe to do so to **1-866-OUR-VOTE.**

While Voting

- If the polls close while you're still in line, **stay in line — you still have the right to vote**.
- If you make a mistake on your ballot, ask a poll worker for a new one.
- If voting machines are not working, ask for a paper ballot.
- Voters with disabilities have the right to accessible voting, including certain assistance or other support.
